## ANNUAL REPORT OF THE SALEM PLANNING BOARD

The Board of Selectmen  
Salem, N.H.  
Frederick T. Staples, Town Manager

Gentlemen:

The following information as submitted by Mr. Wallace E. Stickney, Town Engineer covers the essential information pursuant to this report.

"During 1964 the Planning Board held twenty four meetings and ten public hearings and the execution of suitable escrow agreements.

Construction of improvements in subdivisions amounted to approximately \$146,344.00, broken down as follows:

17,000 l.f. roadway gravel and paving	\$ 42,425.00
Drainage	25,270.00
Water lines and hydrants	<u>78,649.00</u>
Total	\$146,344.00

Savings on tax rate is approximately 2.50/M; No estimate was made on preliminary clearing and earthwork associated with road construction.

It should be realized that although the contractor passes on the initial cost of these improvements to the new home owner, there are additional costs incurred which do not show up immediately. For each new service which is added the town must at some time increase its water treatment, pumping, storage and central distribution capacity; for each new home which is added additional burden is placed on our existing road system which will need to be modernized and improved.

It is interesting to note that although the minimum width of pavement required by the subdivision control laws is 22 feet, most of the roads were paved at 28 feet as the subdividers found that the extra width enhances the value of the subdivision.

Escrow money which had been on deposit for a long period of time was taken by the Planning Board and used to pave a portion of Douglas Drive, Sherwood Circle and Meadow Lane. The work was done by private contractors after being let out at public bid."

Relative to immediate and long range planning, your Planning Board will submit in early part of 1965 revised, sub-division control regulations, will continue to maintain close liaison with all public officials in the interests of the town of Salem and in conjunction with these officials project both immediate and long range planning.

The Board wishes to express their deep appreciation to both Mr. James Falls, Town Building Inspector and Mr. Wallace E. Stickney, Town Engineer for their gracious cooperation.

The Board also wishes to express their thanks to all of the Town Officials for their courteous help.

Respectfully submitted,

JOHN B. BLEICKEN  
Chairman

### Library events of the year

The trustees received from the estate of Agatha Maxwell \$2,000.00. This has been placed at interest to be used to benefit the Salem Public Library awaiting decision of the trustees.

February 9 - 16      Book display sponsored by the Jr. Chamber of Commerce.

February 23      Jr. Chamber of Commerce collected 97 overdue books.

626 elementary grade school children visited the library throughout the year, under the direction of principal Mr. Robert Sinibaldi. Library procedure was explained and stories told by assistant librarian Mrs. Mary A. Forrest.

Memorial day was open house at the library with an art exhibit of local artists.

June 9

Mr. Wesley Ayer, chairman of the board of trustees, gave a talk to the Historical society, his topic "The history of Salem Public Library."

Mrs. Forrest visited the Fisk school in June to tell stories to the children and explain summer reading contest details.

On September 9, a party for the contestants of the summer reading program was a great success with guest speaker Rev. Renshaw. Prizes, diplomas, and bookworm pins were awarded along with party refreshments. Mrs. Wesley Ayer served as hostess with Mrs. Forrest.

We would greatly appreciate it if any of the alumni of Woodbury High School would donate their treasured year books to the library. As these are a part of the history of Salem we would like to add these to our reference section. A book plate will be inserted in each one naming the donor. They can be left at the library at your convenience and will be used and appreciated by coming generations.

BOARD OF TRUSTEES

## SALEM PUBLIC LIBRARY

### Report of Library Trustees

As usual this report will not contain figures which will be found in the librarian's report. Instead it will be an expression of the deep appreciation of the trustees, to our town manager, the board of selectmen, the budget committee, the library workers, our state librarian, the library commission, and to the host of voters, and well wishers, who have helped bring the new library almost to the point of erection. We hope to start by April 1st, and think it can be ready for occupancy by November 1st, this year. We have applied for acceptance as members in the State Library Development Program which was helped into being by one of our own representatives last year. We will be one of the first service center libraries in the state, having already been accepted for this. In the reference line alone this will greatly enhance our service to patrons, particularly students. The use of common borrowers card will make our library of help to book lovers in smaller towns in this area.

Matching book funds from the state can be available to us when implemented by the legislature. You can help us here by asking our legislature to give every consideration to request for funds by the state library for this purpose.

This year, 1965, will be one of radical changes in our library's life. If all goes well we hope to have a full time librarian and assistant on the job before the end of the summer because of the multitude of detail necessary to the opening of the new library. To grow up with the building so to speak.

By the time this report is released we hope to have a Friends of the Library Association organized in Salem. If so give serious consideration to joining it. Also give serious consideration to Memorial gifts for the new library. Volumes of books will be particularly welcome. If you wish to consider larger gifts consult with your trustees. We now have a printed list of such memorials available in the library. Our special thanks go to the members of the library staff who have borne with our vagaries for another year. And to brag a little, our circulation increased by over 9,000 volumes this year, and the staff answered 1,330 inquiries for reference information.

Yours respectfully,

WESLEY B. AYER  
CLARENCE NUTTING  
EARL WOODBURY

## TO THE CITIZENS OF SALEM

As this is the last report from little library on Main Street, I would like to give a short history of the present building and library, especially for the new patrons and citizens of Salem.

(First report of Trustees of library for March 1, 1894)

"The small amount of money appropriated for books from the State to the value of \$100 appeared inadequate to establish a public library worth of name. Therefore the trustees decided to solicit aid from citizens and former residents (natives) of the town.

A room has been furnished in the Town Hall and is believed to answer present needs of library. Library was opened February 17 on Sat. 2-5; 7-9. Town appropriated \$25.00.

No one can read a single pernicious book without mental injury, and the trustees have endeavored to use careful discrimination in the choice of books, believing it to be their duty to prevent the circulation by the library of any books whose tone is degrading."

From Town Report 1897

Present building was erected about 1860 and used as a schoolhouse until 1895, when library moved into the present building, vacated by the school which was transferred to the new No. 1 school (now Haigh School).

Any building one hundred years old could tell many interesting tales; thus it is with this building from district school (from which some pupils entered Tilton Seminary) to the beginning of the town library.

Even though the building was made up to date in 1908 or 1910 with electric lights, steel ceiling, hard wood floor, and walls papered in brown oatmeal paper, the box stove was used for heat until 1925 when a one-pipe furnace was installed, still in use with oil.

1936 the library was redecorated with scenic paper of Washington, D. C. Redecorated again in 1962.

In 1931 cabinet maker and carpenter, Irven Felch, made settee, display bookcase and children's bench and table.

Our first bequest	John H. Bailey fund	\$2,103.44
	William Lancaster	2,000.00
	Agatha Maxwell	2,000.00

Wm. G. Crowell, with other citizens was the prime founder of the library.

First librarian Dr. Ernest Silver (later President of Plymouth Teachers College) followed by Mrs. Susan Cluff and Mrs. Daniel Abbott.

Some interesting appropriation figures:

1905	\$125.00	open one day, Saturday
1913	200.00	open one day, Saturday
1919	350.00	open one day, Saturday
1929	600.00	open one day, Saturday
1932	800.00	open two days, Wednesday and Saturday
1940	900.00	open three days, Monday, Wednesday and Saturday
1946	1,200.00	open three days
1954	3,000.00	open three days

1959	5,000.00	open every day
1962	9,000.00	Library went on six-day 7-hour schedule

In the 1920's, due to increase in circulation, Marion Felch was elected first assistant librarian. Mrs. Rose Wolf has done substitute work since 1946.

In 1956 the Trustees elected Mrs. Mary Forrest as assistant librarian. Library then open three days a week. She has been very efficient in guiding children, in groups from the schools, story telling hour and selection of books.

Many hobbies and displays have been exhibited through the years including braided rugs, hooked rugs, old furniture, mineral and shell collection, apostle spoon collection, miniature drawn glass collection and a beautiful hooked wall hanging of the Colorado mountains by Ruth Westerdale. First art exhibit in Salem was held at the library by Mrs. Alfred Kirsch of North Salem, now of Switzerland.

Chester Woodbury)	Trustees for twenty years gave of their
Mary Fisk )	untiring efforts and added much to the
	warmth and charm of the library.

Clarence Pratt lent his architectual talents for improving the interior, installing new lights, new ceiling and revision of bookcases.

In 1961 due to the effort of Robert Goundrey the John Cotton Dana Publicity Award was received at the A.L.A. at Cleveland, Ohio. Many citizens who were interested in the library have served as Trustees.

Many of the new patrons have come to know and love the old library, with its warmth and charm, but we must leave the old and move on to the new and thus we go forward.

Through the bequest of Arthur Kelly the Town began to take action on a new library and with Federal and State and Town aid to build an adequate building for the present needs of the Town. The historic library has served well the past requirements of the Town, may the new library fill the increasing demands of the increasing population.

## EDUCATION AND TRAINING

Two members of the department attended the recruit training program of the New Hampshire State Police, at Durham. Two members attended the Spring and Fall semesters at St. Anselm's College on Accident Investigation and Juvenile Delinquency.

## TRAFFIC CONTROL AND HIGHWAY SAFETY

With the installation of Automatic Traffic Control signals at Route 28 and Kelly Road, in conjunction with granite curbing to identify the intersection, there has been a decided improvement at this intersection.

Another installation, by the State Highway Department at Route 28 and Lawrence Road and Hampshire Road of the Automatic Traffic Control Signals will now permit residents both East and West of the intersection, to enter the area with a much greater sense of security.

We have a serious problem in the Depot Area, which still remains our greatest source of accident potential.

Our immediate needs are a new traffic control unit with the signals set on steel standards in conformity with the State Highway Department regulations.

The physical complex of the intersection, will require corrective engineering.

We are hopeful that with the coming year, the town will provide the department with a proper police facility. Law Enforcement is an important function of Municipal Government. It must have the cooperation of the community to be efficient.

EVERETT B. DOWE  
Chief of Police

# FIRE DEPARTMENT OF SALEM NEW HAMPSHIRE

Mr. Frederick T. Staples  
 Town Manager  
 Town of Salem, New Hampshire

Dear Mr. Staples:

During the year 1964, the Salem Fire Department responded to 616 alarms, 418 still and 198 box alarms, an increase of 111 alarms over our previous record year 1963. The fire loss for the year 1964 amounted to \$120,516.54 compared to a loss of \$54,569.00 for 1963. The following three fires are primarily responsible for the increase: Byrne's house, Radulski's barn and Ackerman's house. The ambulance answered 351 calls, 323 medical and 28 fire calls.

A breakdown of the department's activity for 1964 is as follows:

I am happy to report again this year that our three 750-gallon pumpers are in excellent operating condition. New equipment added this past year included a new chassis for Tanker II at North Salem. The men of North Salem Company added funds of their own to funds provided by the town and acquired a new tank, installed a pump and purchased other equipment, the end result being an excellent tanker. New hose was purchased this past year, but because of improper washing and drying facilities, the life expectancy of the hose is greatly diminished. Therefore, it is necessary to include the purchase of hose in each year's budget.

The department continued its training sessions this past year. Private William Kingdom was appointed drill instructor and Private Henry Borchers, Fire Inspector. To date our schools have been inspected, and commercial and industrial buildings will be inspected presently. During 1963 it is planned to give an intensive first aid course to members of the fire department.

The need for additional permanent firemen still exists. In addition to the need for a new central fire station, the New Hampshire Board of Fire Underwriters recently urged the building of a sub-station, housing a Class A pumper, in the area south of the Spicket River. With the continued growth in population and the increased number of alarms, it is necessary that the town take some action to insure adequate fire protection.

The fire department extends its appreciation to the citizens of Salem for their support and cooperation.

Respectfully submitted,

SALEM FIRE DEPARTMENT

## STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Salem qualified to vote in District affairs:

You are hereby notified to meet at the Woodbury High School in said District on the thirteenth day of March, 1965 at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.

2. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

4. To see if the District will vote to authorize the School Board to apply Fifteen Thousand Nine Hundred Eighty Dollars and Fifty-Seven Cents (\$15,980.57) of 1964 Sweepstakes Aid, received in excess of that anticipated, to a deficiency in the present budget and to raise and appropriate Sixteen Thousand, Five Hundred Dollars (\$16,500.00) to offset the remainder of the deficiency, said deficiency caused by ledge removal in the access road to the new high school project, transportation costs in excess of that estimated, and the employment of an additional teacher; this money is to be paid over to the School District Treasurer before June 30, 1965.

5. To see if the District will authorize the School Board to make application for and to receive in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

6. To see if the District will authorize the School Board to apply accrued and earned interest over and above the first interest payment from the new high school investment program to the cost of the new high school building program.

7. To see if the District will vote to complete the construction of the new high school, and to authorize the School Board to issue bonds or notes in an amount not to exceed One Hundred Thirty-One Thousand Dollars (\$131,000.) for this project and to authorize the School Board to apply toward the cost of the project all funds available from local, State or Federal grants, aids or donations, as well as all interest accrued or earned.

8. To see if the District will vote to raise and appropriate the sum of Two Thousand Six Hundred Twenty Dollars (\$2,620.) to meet the first interest payment on the bond issue under Article 7.

9. To see if the District will vote to acquire land, to construct and equip a new elementary school and to complete the construction of the new high school, to authorize the School Board to take all actions necessary in connection with the acquisition of land and the constructing and equipping of the new elemen-

tary school, to authorize the School Board to issue bonds or notes in an amount not to exceed Six Hundred Seventy-One Thousand, Five Hundred Dollars (\$671,500.) for the purpose of financing such acquisition construction and equipping and completion of the new high school with the understanding that not more than One Hundred Thirty-One Thousand Dollars (\$131,000.) of the money voted will be spent on the completion of the new high school and to authorize the School Board to apply toward the project all funds available from local, State or Federal grants, aids or donations, as well as all interest accrued or earned.

10. To see if the District will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.) to meet the first interest payment on the bond issue for the new elementary school and the completion of the new high school, such money to be paid to the School District Treasurer prior to June 30, 1966.

11. To see if the District will vote to raise and appropriate an amount not to exceed Nineteen Thousand Dollars (\$19,000.) to plan for the acquisition of land, construction and equipping of an elementary school of approximately eighteen (18) academic classrooms and supporting core facilities.

12. To see if the District will authorize the School Board to purchase sites for future elementary schools, and to take all action necessary in connection with the purchase of such sites, issue bonds or notes in an amount not to exceed Fifty Thousand Dollars (\$50,000.) for this purpose, and to authorize the School Board to apply toward the cost of the project all funds available from local, State or Federal grants, aids or donations, as well as all interest accrued or earned.

13. To see if the District will vote to raise and appropriate the sum of Nine Hundred Dollars (\$900.) to meet the first interest payment on the bond issue under Article 12, such money to be paid to the School District Treasurer prior to June 30, 1966.

14. To see if the District will vote to accept the following minimum salary schedule for teachers and raise and appropriate the sum of Forty-Seven Thousand, Five Hundred Seventy-Six Dollars and Forty-Two Cents (\$47,576.42) to place all teachers on schedule as of September, 1965:

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Salem:

I am presenting herewith my Ninth Annual Report as Superintendent of Schools in Salem. A report from the Principal of the Woodbury High School as well as statistical information, is listed separately.

### PERSONNEL

There were forty teaching positions filled this year in Salem, plus the replacement of a guidance counselor and the addition of a guidance director. Thirteen of these positions were filled in the high school, eight being replacements and five being additions. There were five changes in the junior high, three replacements and two additions. There were twenty-two changes in the elementary schools, thirteen replacements and nine additions. Six of these positions were filled by former Salem teachers, two returning after short leaves of absence.

There has been a great deal of discussion about the salaries to be paid our teachers. In my judgment one thing is certain, we must pay a \$5,000. minimum salary for beginners with a bachelor's degree or we will not be able to continue to provide quality education. You cannot cut this minimum and have quality education. I would accept cuts in any other area.

It was the Massachusetts Legislature that put into law this minimum, making it mandatory that all Massachusetts communities pay beginning teachers \$5,000. Salem is located adjacent to the Massachusetts line and is a part of greater Lawrence. These two factors, plus our tremendous growth, cause our salary problems. We have to add a large number of additional teachers each year to meet this growth. There are just so many teachers available. If we pay the area salary and hire early we can get our share of good teachers. If we only needed to hire a few teachers, we would have fewer problems. When you need to hire seventy teachers for Union #55 in one year, which was the case this year, it is difficult enough, even paying the Massachusetts minimum. Not to compete on an even basis would present too much of a handicap. I want just as good teachers for my school district as any other superintendent.

### CURRICULUM

The curriculum has been another area of dispute. I believe the problem has been a lack of communication because we are still moving forward. We have improved our curriculum to a great extent the last few years. Looking back to what we did have, we have made many improvements. In the elementary area we now have three classes of special education, two educable and one trainable, two remedial teachers, phono-visual in grade one, modern math through grade 4, departmentalization in grades 5 and 6, and we are changing adoptions or moving into new series in reading, language arts and science.

We subscribe to educational television and this year adopted the Rinehart Writing System, which includes periodic teaching and supervision by one of their experts.

In the Junior High School, we start our six-year French Program and offer Algebra I to the top two sections in grade 8.

In my opinion, we have improved our system best by hiring good

teachers, reducing class size and hiring full-time supervising principals and secretaries.

In the high school area, not too many years ago, we had a limited offering. We now have shop, physical education, art, a language lab, an expanded music program and three guidance personnel. We have a curriculum coordinator and a part-time psychologist.

Our problem in the high school will be partially solved by new facilities which are under construction. However, the complete solution requires more money to hire more teachers so that we can offer additional courses, to hire experienced teachers and to reduce the work load of all teachers. This costs money, but it is a necessity if we want to substantially improve our curriculum, raise our educational standards and, in turn, better prepare our students for college and life. We have in process the revision of curriculum guides which we feel will help meet the needs, interests and abilities of all boys and girls and contribute to the raising of our standards.

We are offering a limited adult education program. We are ready to do more if the public will inform us of their needs and wishes, whether it is in the form of a refresher course or a course to better prepare them for leisure time activities.

Last year we had a cafeteria problem. We had to ask for a deficiency because we hoped the program would support the salary of the cafeteria director and a portion of the salary of a custodian. The budget absorbed any expenses in this area previously. This year we also had a problem caused mainly by less participation and high labor costs. Grade 7, which contains approximately 240 pupils, was transferred from Woodbury-Central to the Pleasant Street School at the beginning of the year. This participation was lost. When we received complete information on the status of the account, we took action. However, what I am anxious to bring to the attention of any interested citizens is the fact that for more than twenty years previously we had one of the most efficiently run cafeteria programs in the State of New Hampshire and the program made money each year.

## HOUSING

The Elementary School Needs Committee has been studying the elementary housing needs and it appears that three additional elementary schools will be needed in the next five years. The committee has met weekly and has studied every facet of the problem. Projections have been made. The committee has studied the growth areas, site possibilities, and costs.

I understand that an elementary school will be proposed at this March meeting to be ready in September of 1966. I expect that it will be an eighteen-classroom building. They believe that one supervising principal and one secretary can handle eighteen classrooms as well as twelve or sixteen classrooms. Two custodians are sufficient. It will be the same for special services. It appears much more economical to build this size building than a smaller size.

School projections have been my responsibility for some time. My main conclusion is that you cannot predict or project and assume that you are all set for a few years. You must continue to study the school census, the enrollments and the building permits because a levelling off will come eventually.

The need, however, for the first elementary building is with us.

The children are already living in Salem. I believe that three schools should be voted in 1965, 1967 and 1969 to be ready for 1966, 1968, and 1970 on the basis of current information.

I want to publicly commend the committee for the work that they have done and the manner in which they have done it. They have voted to eventually adopt a 6 - 3 - 3 system and I believe that will be a reality by 1970.

The neighborhood schools should cut down immeasurably the cost of transportation. I would like to see the schools have an all-purpose room that can be used as a cafeteria, an assembly room and a gymnasium. The latter can be used for physical education and each area of the town will have its own community hall.

## BUDGET PROBLEMS

The Perennial problem for Salem is the school budget. However, we must face up to the fact that because of our continual growth and building programs that almost every item in the school budget will increase each year. Every time we build, the operational and maintenance costs increase, more teachers are needed to staff the building and the fixed charges necessary to pay off interest and bond payments, plus the added insurance costs on the new building, have their affect. We know we will need more books, more supplies and more equipment for additional pupils.

However, everyone says we must hold the line. It is impossible. The increased valuation cannot offset the school population increase and the town expenses needed to keep up with a growing community. We realize that school costs are much greater. That is true everywhere. We are no exception. This year, more than ever, we hear about the cost of education. I am equally concerned. I do not like to present a budget that reflects a large increase. This year we have to make our first payment on the new high school, plus two interest payments. That is only part of the picture as I have shown. It is interesting to note that we have been below the state average per pupil costs each year. That should mean something especially when we have done more building, have to pay higher salaries and have to hire more teachers proportionately than other school districts in New Hampshire.

President Johnson believes in spending more money for education in order to have a higher percentage of educated people in our country. This is a worthwhile goal. He believes it will benefit the country as well as each community. It is my personal opinion that the State of New Hampshire should contribute more money to the local school districts to help ease the tax burden. Most people now know that New Hampshire, as a state, ranks near the bottom in its support of education at the local level. I believe in the principle that when ever possible the local communities should pay their way, but when the burden becomes too great they need help, especially when they have unusual growth.

I know the problems that beset Salem. However, I believe it is my responsibility to encourage those responsible to provide the best education possible as well as be conscious of the tax rate. I feel strongly that they should let the people decide on what they want for an education for their children. The people may wish to pay more taxes, to make sacrifices if necessary in order to give their children a better education than they received, which actually should be the goal of all parents. The burden might not be too great because most family incomes continue to rise.

I believe we should study every area of financial help that might be forthcoming from local, state and federal sources and apply for same.

### APPRECIATION

Appreciation is expressed for the continued support of all local organizations and individuals. Helping at the individual schools, honoring special groups, presenting scholarships, presenting equipment to all schools, and especially worthwhile books and records to the school libraries are commendable. Please accept my personal thanks and the thanks of all those who work with me.

In conclusion I wish to thank the School Board, my staff, principals, teachers and pupils for their help in making the work of the schools in Salem pleasant and successful.

Respectfully submitted,

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board  
Salem School District  
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Salem School District for the fiscal year ended June 30, 1964, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1963 and June 30, 1964, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$2,367,916.77 during the fiscal year ended June 30, 1964.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Bonds Issued	\$2,450,000.00	
Net Budget Deficit	15,695.65	
Surplus Used to Reduce School Tax	<u>1,866.35</u>	
		\$2,467,562.00

Decrease in Net Debt

Bonds Paid	\$ 82,000.00	
Deficiency Appropriation for 1963-64	17,600.00	
Payroll Deduction Adjustments	<u>45.23</u>	
		99,645.23

Net Increase \$2,367,916.77

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1964, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue deficit of \$2,304.21, plus a net overdraft of appropriations of \$13,391.44, resulted in a net budget deficit of \$15,695.65.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1964, is indicated in Exhibit F.

Building Funds Accounts: (Exhibits G-1 and G-2)

Statements showing the activity in the Building Funds Accounts during the fiscal year are included in Exhibits G-1 and G-2.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1964, showing annual debt service requirements, is contained in Exhibit I.

Woodbury High School Activities Funds: (Exhibit J)

A summary statement of the Woodbury High School Activities Funds is presented in Exhibit J.

Statement of School Tax Account: (Exhibit K)

A statement of the School District Tax Account with the Town of Salem is included in Exhibit K. As indicated therein, as of June 30, 1964, the School District had received from the Town the total amount of the 1963-64 School Tax of \$1,110,961.70, plus a prepayment on account of the 1964-65 School Tax of \$17,600.02. This prepayment represented a deficiency appropriation for 1963-64 of \$17,600.00, and an advance on account of the 1964-65 School Tax of \$0.02.

Statement of Bond and Coupon Account: (Exhibit L)

A statement of the Bond and Coupon Account for the fiscal year is contained in Exhibit L.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from \$32.07 to \$115.30, during the fiscal year ended June 30, 1964, as shown herewith:

	<u>June 30, 1963</u>	<u>June 30, 1964</u>
Total Assets	\$7,165.66	\$2,465,913.41
Current Liabilities	<u>7,133.59</u>	<u>2,465,798.11</u>
Current Surplus	\$ 32.07	\$ 115.30

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Salem School District for their assistance during the course of the audit.

Yours very truly,

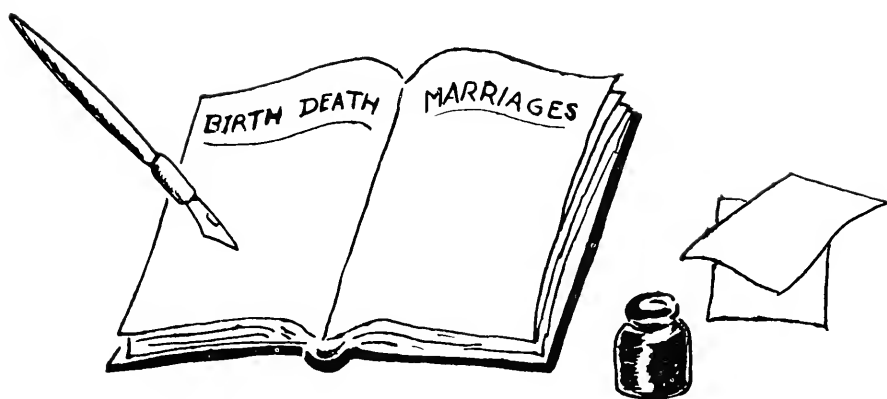

Harold G. Fowler

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Salem, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Ackerman Hall, in said Town, on Tuesday the 9th day of March next, at ten (10:00) in the forenoon to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. To see if the Town will vote to amend the Zoning Ordinance and the Zoning Map by designating that area shown as a portion of Lot No. 56U on Map 95 of the 1964 Salem Tax Maps as residential rather than rural. The area affected by such amendment consists of approximately fifty-five (55) acres of land presently owned by Frederick W. Murdock, Jr., Trustee of Clinton Realty Trust and situated at the Westerly end of Old Coach Road off the Westerly side of Wheeler Avenue.

Article 3. To see if the Town will vote to amend the Zoning Ordinance and the Zoning Map by designating the area shown as Lot No. 3 and Lot No. 23K on Map No. 90 of the 1964 Salem Tax Maps as residential rather than rural. The area affected by such an amendment is that area of the designated Lot No. 3 and Lot No. 23K Westerly of the present residential line as it now exists 500 feet West of the center line of Wheeler Avenue and Bridge Street.

Article 4. To see if the Town will vote to amend the Zoning Ordinance and Zoning Map by designating as Commercial-Industrial District "B" rather than Residential the following areas:

Those shown as Lots 17, 18 and 20 on Map 39 of the 1964 Salem Tax Maps.

The area affected by such amendment consists of approximately sixty (60) acres of land presently owned by Canobie Lake Realty Corp., and known as Canobie Lake Park, which is situated on the Westerly side of Policy Street. The amendment does not affect that area of the property known as Bus Road.

Article 5. To see if the Town will vote to amend the Zoning Ordinance and the Zoning Map to extend the Commercial-Industrial "B" District presently existing on the East side of South Broadway from one hundred (100) feet in depth between Pattee Road and the Spicket River to include the following described area:

Beginning at the Northerly side of Pattee Road on the Easterly side of South Broadway and extending to one hundred twenty five (125) feet wide from the Easterly edge of South Broadway along the Northerly side of Pattee Road; thence Northerly at a distance of one hundred twenty five (125) feet Easterly from the edge of South Broadway to a point seventy five (75) feet north of Seed Street; then extending to a distance of one hundred sixty five (165) feet Easterly from the edge of South Broadway and running Northerly parallel to

South Broadway to a point three hundred ninety eight (398) feet Northerly of Seed Street thence extending to a distance of two hundred twenty five (225) feet Easterly from the edge of South Broadway and running parallel to South Broadway to the Spicket River.

Article 6. To see if the Town will vote to amend the Zoning Ordinance and Zoning Map by designating as residential, rather than rural and residential, the area bounded by Butler Street, Tyler Street and Lawrence Road, subject to the condition that in that portion of the said area now designated as rural, construction on any lot containing less than 25,000 square feet will not be permitted unless an adjoining area containing at least the balance of 25,000 square feet and providing the balance of 150 feet of frontage is reserved and defined in the building permit application as an area on which no construction will be commenced until the Building Inspector determines that an adequate water supply and adequate drainage are available for the construction proposed on such reserved area.

Article 7. To see if the Town will vote to amend the Salem Zoning Ordinance of 1961 by amending Article III, Paragraph B (Residential District-Restrictions Governing Uses) by striking out "1. The minimum lot area shall be 15,000 square feet", and insert in its place "1. The minimum lot area shall be 25,000 square feet"; and by striking out in "2. The minimum frontage of each lot shall be 100 feet", and insert in its place "2. The minimum frontage of each lot shall be 120 feet."

And further amend Article IV, Paragraph B (Rural District Restrictions Governing Uses Under Article IV) by striking out "1. The minimum area shall be 25,000 square feet", and insert in its place "1. The minimum lot area shall be 40,000 square feet"; and by striking out "2. The minimum frontage shall be 150 feet", and insert in its place "2. The minimum frontage shall be 200 feet."

The above amendments to the Salem Zoning Ordinance shall take effect immediately upon passage - except however, that these amendments shall not apply to lots now in a subdivision plat which has been approved by the Salem Planning Board nor shall they apply to lots in a preliminary layout which has been filed with the Salem Planning Board.

Article 8. To see if the Town will vote to amend the Zoning Ordinance and the Zoning Map by designating the area shown on the 1964 Salem Tax Maps as Lot No. 1, and Lot No. 2 as shown on Map No. 90 and including that portion of Lot No. 1 on Map No. 95 as residential rather than rural. The area affected by such an amendment is that area of the designated Lot No. 1, Lot No. 2, Lot No. 61D and Lot No. 57M Easterly of the present residential line as it now exists 500 feet East of the center line of Wheeler Avenue.

Article 9. To see if the Town will vote to amend the Zoning Ordinance and the Zoning Map by designating the area shown on the 1964 Salem Tax Maps as Lot No. 10 on Map No. 105 and Lot No. 37 as shown on Map No. 106 to residential rather than rural. The area affected by such amendment is that area of the designated Lot No. 10 on Map No. 105 and Lot No. 37 on Map No. 106 lying Easterly of Oakridge Avenue and Southerly of Pond Street extending to the Salem, New Hampshire and Methuen, Massachusetts line.

Article 10. To see if the Town will vote to amend the Zoning Ordinance as follows:

Under Article III, Residential District, under A. Permitted Uses, Number 1 should read; No. 1. One-family dwellings, This instead of: No. 1. One-family, two-family, and multi-family dwellings.

Article 11. To see if the Town will vote to amend the Zoning Ordinance by the addition of the following language to Article III A, and Article VI A.:

"Parking, but no occupation of one trailer not more than eighteen (18) feet in length on that portion of a lot between the rear lot line and the rear of the dwelling, garage or other structures on the lot.

Article 12. To see if the Town will vote to amend the Zoning Ordinance by deleting all language in Article III A.3 after the word 'Offices' so that Article III A.3 would read 'Professional Offices'.

Article 13. To see if the Town will vote to amend the Zoning Ordinance by deleting Article III B. 6, Article IV B. 5, Article VI B. 5 and Article VII B. 9 and inserting therefor the following language:

"(a) Seasons Greetings and political signs shall be permitted for a period of thirty (30) days prior to and fifteen (15) days after the date of the holiday or election without a permit. Prior to the posting, notice shall be given to the Building Inspector.

(b) One 'For Sale' or 'For Rent' sign, not exceeding six square feet shall be permitted for the purpose of advertising the premises on which the sign is located.

(c) One contractor's sign, not exceeding twenty (20) square feet, shall be permitted during the construction or alteration of a building.

(d) No other signs shall be permitted unless customarily accessory to lawful use of the property and such signs shall be not more than three (3) square feet in the total area. If an exception is granted under Section III C-3, IV C-1 or C-2, or VI C-1, signs accessory to the lawful use of the property shall be permitted up to twenty (20) square feet."

Article 14. To see if the Town will vote to amend the Salem Zoning Ordinance by designating as Commercial-Industrial "B" that portion of land now zoned residential lying easterly of Route 28 and bounded on the North by the existing Commercial-Industrial "B" Zone, on the west by the existing Commercial-Industrial "B" Zone and on the east by Lennox Avenue and the southerly lot line of Lot 60 on Map 14 of the 1964 Salem Tax Map, thence southwesterly along Policy Brook to the existing Commercial-Industrial "B" Zone.

Article 15. To see if the Town will vote to appropriate such sums of money as may be necessary to defray the expenses of operation of the Town; Town Officers salaries and expenses, expenses of Election and Registration, Planning Board, District Court and Town Buildings, Ambulance, expenses of the operation of the Police, Fire and Civil Defense Departments, expenses of the town dump, and damage by dogs, expenses of the Health Department, Summer and Winter Maintenance and general expense of Town Highways, Street Lighting, Town Poor and Old Age Assistance, Parks and Playgrounds, Damages and Legal Expenses, Social Security and Retirement (Town's share), Interest and other necessary expenses pertaining to the operation of the Town of Salem, including

Water Department, all such amounts being shown in the posted Town Budget.

Article 16. To see if the Town will vote to authorize the Selectmen and Treasurer under the provisions of RSA 33:71, 1955, to borrow, in anticipation of taxes, such sums as are necessary for the operations of the Town, and to set the rate, effect the issuance of notes, and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.
